Winston-Salem, NC 27105

Dear Earline Representative Parmon:

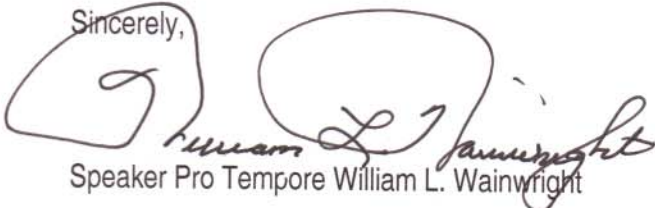

I am very pleased to write this letter to congratulate you on the establishment of The Earline Parmon Scholarship Fund. I am not able to celebrate this occasion with you, but please know that my thoughts and well wishes are with you.

You have always been a strong supporter of education and I have personally witnessed your drive in the General Assembly to initiate and support legislation to educate our children scholastically and socially. Your tireless energy in support of education has been second to none. I have watched you develop into a seasoned legislator, fighting for what you know is right and standing on your convictions.

I understand that this event is to be a surprise for you. Good luck to those who are trying to surprise you, because that is not an easy task. I will have to ask how it was done.

Again, congratulations on the honor that you will receive on this evening. No one deserves it more than you. I am proud to call you my friend and colleague in the North Carolina House of Representatives. I know that you will continue to use your gifts and talents to serve the citizens of North Carolina. I and others salute you for your vision and commitment to excellence in education. May your future be filled with greater blessings and spiritual riches.

Sincerely,

  
Speaker Pro Tempore William L. Wainwright
